October 25 Meeting—Sonya Molho

GLASG member, Sonya will lead us in designing a sweater made from our handspun yarns. What we spin might not match the yarn called for in a pattern, or perhaps you cannot find a pattern you really like. What happens when the pattern is not your size? Sonya will lead us through the steps to design a sweater to meet our needs.

"A fascinating show . . . astonishingly beautiful [objects] . . . a story of survival, of a will to endure in the face of crushing opposition."—Los Angeles Times. Featuring more than 250 unique objects and personal stories, Floral Journey is the first exhibition to explore how beaded floral designs became a remarkable art form as well as a means of economic and cultural survival for Native people across North America.

Ongoing: The Orange County Spinning Guild is an informal group that meets the 2nd Sunday of the month at the Garden Grove Library from 1-4pm, and it's all free! The library is located at 11200 Stanford Ave. Garden Grove. We meet in the Community Room on the lower level of the library.

There are 2 entrances to the library. The south side (by the park and pond) has a walkway and no stairs so I recommend using that entrance. There is an elevator in the building. Ask staff where it is when you enter (it's really hard to describe this in writing.)

We hope that you'll join us!

Reminder: Dues for the 2014 year are now due. Be sure to pay at the next meeting or via PayPal. Application is on the last page of this Newsletter.

GLASG.ORG

We now have a section on the website for members' spinning stories. If you would like to post your experiences with spinning, send pictures and your story to editor@glasg.org.

The GLASG website is updated at least every month. We would like to have more input into the website. Please send editor@glasg.org pictures and articles that are labeled. If the pictures have people, please send a note that the people in the picture agree to have their picture put on the internet. We will take your word on this. Please include either a caption to go along with any pictures.

If you have uploaded any spinning related videos to YouTube, please forward the information to editor@glasg.org. We will list the videos under resources. Thank you.

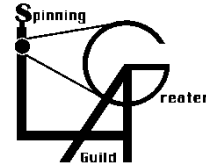

Guild members may place a "for sale" advertisement in the newsletter. Email editor@glasg.org your information for the ad. These ads are not for commercial ventures.

Judy Abdo (judyabdo@gmail.com) is would like to find homes for her mother's spinning wheels and loom. Her mother passed away recently and was a member of Saturday Spinners. Please email Judy for more information. She is looking for offers.

One wheel is a great wheel. The smaller is a Saxony style but of unknow make. The loom is four harness jack loom and looks about 45 weaving width with sectional beam
